

## Product information sheet R-ES 10 x 5

Item no. **510502**

### Benefits

---

A high-quality kitchen sink crafted from durable stainless steel, offering a modern and practical design. With its 10 x 5 configuration, it features a spacious bowl suitable for everyday kitchen tasks. The sink is resistant to rust, corrosion, and household acids, making it ideal for long-term use. Its clean lines and brushed finish blend seamlessly into various kitchen styles, from classic to contemporary.
